

Product Sheet

Fairing Compound 242

Fairing for All Weather Conditions

ALEXSEAL®'s new **Fairing Compound 242**, completes our fairing compound portfolio. 242 has outstanding performance for all types of climates, so in both hot and cold climates, your yacht will benefit from **ALEXSEAL®**'s new fairing compound. 242 is especially designed for yachts with dark hulls, that need the extra flexibility while traveling to extreme climates. Neither heat nor ice and snow will harm this fairing.

ALEXSEAL® Fairing Compound 242 has outstanding sag resistance and with nearly no air pockets, for an easier application. And with its limited shrink back, reworks of the faired areas will be reduced to a minimum.
