Paint School

Learn more about our products

ALEXSEAL® Paint Schools in Charleston, SC, is your premier destination for yacht coatings expertise in the United States. Our commitment to excellence, combined with a rich tradition of innovation, ensures that you'll receive the highest quality training and professional development in the yacht coatings industry. We offer two comprehensive training classes (basic & advanced), meeting and expanding your skills.

In our Technical Application Center you will gain comprehensive knowledge in the realm of painting surface preparation, spray gun calibration, and other essential techniques to attain a flawless final result.

Our goal at the ALEXSEAL® Paint School is to provide you with a comprehensive hands on learning experience that will equip you with the knowledge and skills necessary to succeed in the yacht coatings industry.
