

Product Sheet

Acrylic vs. Polyester

Benefits and Comparison

The ALEXSEAL® range offers two different topcoats, both specifically developed for the yacht market. They give the customers the benefits of excellent application as well as outstanding appearance and longevity.

Sounds good, but the customer might ask “which one should I choose?” In this case, you need to raise the important question “which SPECIFIC PROPERTIES do you need?”

	Acrylic	Polyester
Polishability	++	+
Scratch resistance	-	+
Gloss level	+++	+++
Hiding power (2 coats)	++	+
Drying time	++	-
Overspray uptake	-	+++

ALEXSEAL® Acrylic Topcoat X

Using the latest coating technologies available, ALEXSEAL® Acrylic Topcoat X is one of the most durable, highest gloss and best leveling acrylic urethane finish in the market. After a short drying time it is very easy to polish and also to repair. Due to its fast drying time it is suitable for smaller and medium sized yachts.

ALEXSEAL® Premium Topcoat 501

For applications on large areas and yachts our ALEXSEAL® Premium Topcoat 501 is the best choice. The polyester based material shows not only excellent flow and levelling characteristics but also provides a high gloss and DOI. It will protect the yacht for the years to come.

Benefits Acrylic

- Easy application
- Easy repair- and polishability
- Very good hiding power
- Very high gloss
- High durability

Benefits Polyester

- Great overspray uptake even on large surfaces
- Repairable
- Excellent flow and leveling
- High gloss, exceptional depth of image

Use of ALEXSEAL® products

Please be note that all ALEXSEAL® products are intended for professional use only and the application process must be carried out by professional users in accordance with the respective material data sheets. The information contained in this data sheet as well as in any ALEXSEAL® material data sheet is based on our level of research and development. Revisal by the user with regard to the intended aim is necessary due to the diverse processing and application possibilities. In case of any doubts regarding the properties and use of our product, please contact your local dealer. Any liability on part of Mankiewicz for faulty applications and / or improper use and any damage arising thereof is expressly excluded whether based on warranty, contract law, torts, negligence, strict liability, misrepresentation or any other area of law except as required by mandatory applicable law.
